1. INTRODUCTION

Bamboo Panda (\$BPANDA) is a true community-driven meme token built on the Solana blockchain. We combine the fun and accessibility of meme culture with a serious commitment to fairness, transparency, and long-term growth.

Our motto: Strong Together. Built by Community.

2. VISION & MISSION

Vision

To become one of the most trusted and largest meme token communities in the crypto space.

Mission

- 100% community-first development and decision-making.
- Zero hidden fees, unfair advantages, or unannounced allocations.
- Create sustainable growth and real value for all holders.
- Make crypto simple, safe, and fun for everyone.

3. CORE VALUES

- 🍷 Unity: We grow together, just like bamboo groves.
- 🛡️ Safety: Rug-free, locked liquidity, renounced ownership.
- ✨ Fairness: Clear distribution for all parties.
- 🚀 Growth: Building for the long term, not quick pumps.

4. BLOCKCHAIN CHOICE: SOLANA

We chose Solana for its:

- ⚡ Speed: Up to 50,000 transactions per second.
- 💎 Low Fees: Less than \$0.001 per transaction.
- 🛡️ Security: Highly secure and decentralized network.
- 🌱 Ecosystem: Integrated with top DEXs, wallets, and DeFi tools.

5. TOKENOMICS & DISTRIBUTION

Tabel
